**會長的話:**我們今年將與CHINA合辦兩次特別跑步(十月份的霞喀羅古道是台北捷兔自己舉辦), 兔子皆為Penniless (Nick), 第一次為5月13至15日的澎湖特跑, 兔子將租兩條船到離島跑步及Bush(例如東嶼、將軍嶼), 這些都是以前台北捷兔沒去過的地方, 保證與幾年前的澎

湖特跑不同。第二次為9月2至4日的高山特跑(梨山之上), 星期五晚上住在霧社或清境農場, 星期六合歡山跑步, 夜宿高山, 週日在附近跑步, 然後取道宜蘭回台北; 希望有興趣的兔子能空出那些日子, 最好不要選在那時候生病, 阿~~福氣啦!。

**開**胃一下:三八妹手拿著喝了一半的鮮奶, 趕公車上班, 上了公車卻是人擠人, 急的她大叫「好討厭喔! 你們不要再擠了啦!」把人家的奶擠了一大堆出來怎麼辦?

下筆之前老婆就說, 老頭子你還能炒飯嗎? 上得了檯面上嗎? 說的也是, 老總是離不了『呆』, 年前由Loan Shark不嫌棄推擠本人下海撈一下, 過過癮, 也只好擦落去啦。

話說今年的會長BAMBOO, 姑且我們把它『剖懶』一下, 可別小看他長得一臉圓圓高高的, 一股福泰氣勢非凡神通廣大, 日也跑夜也跑, 每一夜黑性高, 滿月圓之時, 各地荒山野外都能聞到他的足跡, 而且嫂子也一定到為什麼呢? 因為月圓氣氛好, 打破沒人看到可以樂此不疲, 感情好的不得了, 奉勸各位兔友如有夫妻感情不合, 可來嘗試一下月圓跑步的樂趣, 包君滿意, 性事如意, 但如果你帶馬子來就不敢保證了, 因為或許夜跑南港, 跑『玩』過了頭結果跑到北港去「完了」回不了頭, 那就可要拜拜球神明了,

今天的路源是A→B, 大夥兵分三路由捷運忠義站來的, 或直接到老湖南餐廳停車, 集合點卻是捷運復興崗站, 本人是在忠義站走回復興崗站, 路上遇到Joe Job莊中任說今天的路很複雜, 心想會不會跟上禮拜一樣出『槌』一路找不到記號, 拿著諾大的手電筒, 跑在金山路上找山洞, 想爽一下滋味, 結果連個小洞都沒鑽到就出「回」來了, 真掃興。

3:00左右由會長一聲令下開始起跑經由一桃源公園處看checking狡猾的兔子, 把每個人整的團團轉, 找了近10分鐘, 我往回走馬路500公尺再往忠義山上步道前進由行天宮方向, 經國立台灣藝術大學校內側門往上爬昇, 銜接至楓丹白露的林蔭步道, 閒暇之餘, 為了感謝他的問政功績, 改了地名為『北港香爐』想想這麼巧都是四個

Boots(郭承權)

字，其有奧妙之處，今經我們這一群肥兔朝貢〈人腳跡有肥〉有朝一日必聲名大噪！以上純屬虛構，只供笑料。沒多久跑至新天母社區，下至捷運竹園站後方見地上畫有S.L.短的直接回去，長的必須花費20元座渡船至對面關渡再由關渡大橋路跑行人道回老湖南餐廳，結束了今天的行程，沿路風景美不勝收，心曠神怡，今天的天氣適中，跑起來真爽，感謝兔子Seasame王志仁的精心規劃，聽說此條路線以供China Hash及Taiwan Bear享用過，兔子為了創新再另闢新路線，感恩哦！Seasame辛苦了。

Down Down由會長主持宣佈兔友熱心公益捐獻救濟給此次南亞賑災的難民，真感謝眾兔友的熱心，好心有好報。

BASH就近老湖南餐廳二樓席門口桌，依照往常High到沸點，酒熟飯飽之餘，可要小心，最近春檢國庫缺錢缺的很兇，是不認人的，更何況你是兔崽子。酒後不開車，謹記勿犯，否則上了警局，今年過年就如寒冬。因為今天的終點站是回家抱老婆，檢試一下今天跑的成果。

Due to the hurried request to submit the write-up for last Saturday's jaunt around the countryside in the general vicinity of Guandu, it is hard to find anything noteworthy on the worthless news front to spice up this report. However on the historical side, on 30 January 2002, it came to light that our stalwart founding member, 'Slobbo' who was absent from the run that day, was off on an a very delicate assignment for Sc\*\*p Magazine; none other than to check on the new chocolate and confectionary bras reportedly being worn by the binlang dames in the Lungtan area. Your scribe understands that as part of the check, samples of the bras had to be consumed, while on the wearers, to ensure they conformed to TH3, CH3, CNS, EEC, FDA, WTO, NATO, UFO, Uncle Tom Cobley and all, regulations. It seems they past with flying colours although the calorie content was on the high side.

On a more profound historical note, with the approach of the Chinese New Year and Taiwan businessmen hurrying to make it home for the holidays, for the first time in something like 56 years, direct non-stop flights, all be it charter flights, are starting today between the Mainland and Taiwan with a China Southern being the first mainland carrier to make the crossing. Although non-stop, all the flights are required to pass through Hong Kong air space but from the latest reports with some of the mainland carrier flights arriving up to an hour ahead of schedule, one wonders how far Hong Kong air space now extends into the mainland or with the wisdom of Confucius, have small pockets of 'air space' been established around the mainland designated as temporarily belonging to Hong Kong!!!

And so to the actual Run. The Weather Bureau's report that a new cold front was fast approaching Taiwan from the mainland, no doubt having passed through one of the new temporarily designated Hong Kong 'air spaces' so as to hasten its arrival, was proving correct with the temperature having a hard time making it into double digits. This did not seem to put much of a damper on the turn out as your scribe, having at last figured out the location for the start, found the usual milling horde of Hashers waiting for the off. The run was billed as an A-to-B 'Sesame' production with the start at the Fu Xing Gang MRT station and the On-In some where in Guandu; Fu Xing Gang having been selected due to the availability of parking and Guandu for the Bash. However as these two locations are only approx. 2 Km apart and as each Hasher was reminded to carry NT\$20.- in cash with him, obviously the run would not be exactly direct.

And so it was. After the usual warm-up exercises led by 'Plod', the pack took off and found the first check at the entrance to the Taoyuan Original Botanical Gardens. This proved the most difficult check to solve as it was assumed that the trail MUST be on through the park. Not so as when every path had been checked and rechecked, the trail was finally picked up on up the main road heading in the direction of Guandu for a short distance before turning right up the hillside and then on through woodland and a small park of sorts. Coming out by an exceptionally large and ugly mausoleum, the trail led past this and on through an attractive wooded walk running below the Arts University campus before turning up and on through the actual campus to Gangwu Road. A short distance up this road, the trail turned left and on down another wooded hillside with a very short and very odd loop through the concrete piling foundations of some buildings, finally coming out above Zhuwei township.

Descending into Zhuwei, the trail led through a labyrinth of small lanes between quaint old houses all be it surrounded on all side by towering new blocks of apartments, across the main road to Danshui, past the MRT station entrance and then under the MRT tracks and onto the newly built walk/bicycle path running along the Danshui River bank where the trail divided into the Long and Short runs. Your scribe, feeling full of piss and vinegar and loaded up with a goodly supply of Smarties (M&M's for the uninitiated) to stave off any sugar deprivation, opted for the Long run and so joined the 30 or so hardy souls waiting for the Bali ferry, hence the need for the NT\$20.-. Once across the river, an uneventful ride without a single terrorist attack, the trail led off down another of the new walk/bicycle paths established along the river bank in the direction of the Bali Bridge, past the ghosts of old boat yards, long gone and now turned into shi-shi coffee shops/restaurants. One however was still working and the power boat on the blocks in the final stages of finishing was a magnificent monster ever to be seen. James Bond would have been proud of that one.

Crossing the Bali Bridge, the Long run joined up again with the Short run and from there the trail led around the heights of the Guandu Temple complex, past a nursing college and down across the main road, over the MRT tracks by the Guandu station and finally On-In up a lane opposite the 'Pisshead' Lauban Yang's eatery to the welcome brews, hot soup and snacks provided by 'Mrs. Piss'. Basically a very good and enjoyable run with the front runners taking just over the hour to complete.

Down-downs finally commenced under the guidance of our fearless leader 'Bamboo'. First up for a cup of the good brew were the Hares lead by 'Sesame'. Next came a number of Old Timers reaching some mile post and included your scribe who it seems has completed 725 runs, absolutely magnificent! (It's nice to be able to blow your own trumpet on occasions). This was followed by the usual parade of sinners, first time runners, etc., and also included 'Frontal Lobotomy', GM of the China Hash, along with his 'Trouble and Strife' who had put in a cameo appearance to plug for the CH3 1-day Down Island extravagance. And so in the gathering gloom of a winter's day another enjoyable Hash can to a close. The bash of course was held at the 'Pisshead' Lauban Yang's eatery.
