捷兔點滴 2005/02/05 第1676次跑

HARE:Dump-N-Run(Mark Dolan)

地點:橫山

天氣:晴

照片報導:Loan Shark(許經發)

今天是大年初四，先向各位兔友拜年，祝大家新年快樂，事事如意，兩腳跑三腳勇！

話說上週六，天公作美，一掃連日陰霾，是一個適合戶外活動的好天氣，中午12點40分與Sofa相約從青年公園出發，走在車流順暢的北二高，心情輕鬆又愉悅，1點40分抵達集合地點"粗坑休閒農場"，記得在"長官"當會長那年也曾經在此跑過一次。

未久見Play Boy帶來一個大蛋糕，詢問之下，得知是為慶祝捷兔32週年生日(按台北捷兔創立於1973年2月4日)就在昨天(星期五)堂堂進入32週年是一個充滿健康活力的男子俱樂部，包括筆者在內有許多兔友都不記得捷兔的生日，前會長李盛填(Whouse House)教大家用一個在日常生活中耳熟能詳的用語"0204"來聯想，保證一輩子不會忘記，如此，比記老婆、孩子、外婆或情人的生日還更容易，你認為呢？

Dump-N-Run

兔子 (Dump-N-Run)是英國人，國台語攏ㄟ通，之前從事電腦週邊設備生意，近年來在自家設立個人工作室，平時大都參加星期天China Hash 跑步，也是勇腳ㄟ，2點30分兔子開跑，大家看到副兔子是林福待(Chicken George)隨即一陣騷動，議論紛紛，深怕又是超長路線，今天又要被操了！

起跑後，沿著柏油路而上，遇一 Checking費了一段時間，原來是從橘子園上去，路徑濕滑，大夥小心翼翼的走著，無心觀賞黃澄澄的橘園美景，未久，由石板道左轉，這是一段又陡又長的路，約15分鐘出得馬路，隨即由萬瑞度假山莊進入，筆者想要Short Cut獨自從馬路往上走了約2公里，到達大山背的登山?道，原以為可以接到兔子所做的路線，再走一公里左右，仍未見麵粉蹤跡，於是折返，從原來的石板?道直下至一村莊，此時遇見Slobbo他告訴我，從萬瑞山莊進去以後有一個落差很大的坡，由於他體型龐大，路又濕滑，不敢貿然前行，於是折返，由其他路徑下山，至村莊與我相遇，我兩相偕往溪流方向再走不久，即見回家的路上，已有兔子剛剛灑下的麵粉，沿著田埂小路再越過小溪，經過ON IN未久回到原點，筆者因為走捷徑無法全程記述。Sorry

Down Down時會長請創始人之一Slobbo切蛋糕，大家合唱生日快樂歌，從他的表情可以看出32週年對他這位創始人有太多的

回憶與滿滿的欣慰，因著台北捷兔從初創幾十人至今茁壯到幾百人，他並致詞表示，希望還能再跑32年，我想，這應該是全體兔友一致的心願吧！Guru也被請上台，他是台北捷兔跑次最多的兔友，目前跑了1413次，按32年計算，他每年至少跑了44次以上，值得敬佩！

筆者因事未待 Down Down結束即先行離開，想必Bash仍有一番熱烈的場景，呼乾啦！..... ON ON

Newsletter 2005/02/19 Hash Run 1678

HARE: YuKuza

Site: Tienmou

Runner: 180

Weather: Rainy

Scribe: Guru

First of all, on behalf of the Hash Committee, I wish all our hashers a very happy Chinese New Year of the ROOSTER, and 168 and 8888 !! May you all produce more chicks?for the enjoyment of everybody!

This time around, we celebrated THHH's birthday with enthusiasm. We had a huge cheese cake, and the only living founder member Slobbo?to cut the cake. It was gobbled by the ever hungry hashers present, in no time whatsoever! (the late finishers of the run had no such luck). Guru? the only hasher who ran with THHH during all those 32 years, volunteered for a down down for that heinous crime!! But, surprisingly, even though it was the last run before the Chinese New Year on 9th Feb, the G.M. forgot about firecrackers!

The hare, Mark Dump and Run?Dolan, is forgiven for not having remembered about it too, even though he is married to a Taiwanese! He exonerated himself setting one of the finest, scenic runs through orange, arecanut, banana, taro, bamboo and pomelo farms/plantations/groves.

It was drizzling in the morning. The pregnant belly of the sky hung low and gray and fat, and water broke to announce the birth of still more water. But the weather in Taipei is very unpredictable. North East winds swept the clouds, and we had a cloudy, but warm day, that suited our Saturday jaunt.

The run was set from Chutong (Hengtan), over 90 minutes drive from Tienmou area. The hare requested Chicken shit?to be his co-hare at the last minute; he gladly obliged. The hares left at 2.30 pm instead of the usual 2.45 pm. Some of us, including your scribe, followed the hares immediately. We went up along a road, until we found the first check at an intersection. I went up the steep climb for about 300 meters (even though the hash rule is that from a check, THE NEXT MARK SHOULD BE WITHIN 100 METRES in any direction, not 200 or 300 as someone wrote in our website!). No marks. The trail was down, along the road, then through a narrow path to the narrow cemented steps going up, interspaced with a few short muddy paths beside bamboo groves. There were three or four short concrete pillars with carved head of lion at various points. Then we passed through Shan swei?area. There was a long colorful building on top of a small hill, couple of pagodas, a few wooden platforms for dances/concerts, swings, a lovely park, statue of ?Kwan yin? goddess of mercy on to the right and the view of the valley was magnificent., even in the cloudy, misty weather. We crossed through several orange farms with the ripe fruits hitting on our heads. We ran through a few concrete paths, some farms, banana plantations, until we hit another black top road. The trail took us up a muddy hill, and then down slippery steps for a long way down, where almost everyone kissed the earth with their bottoms and paid respect to Mother Earth.

While the trail went up beside a banana farm, then through another orange grove, we found the young owner who was not so happy about our trespassing. We climbed up through muddy trails, up and down various times, until we hit the same road again, where we found many smart assholes who stuck to the road, instead of following the trail. There we saw the Long and Short runs marked. The long run took us up along another black top road, then through some bush of taro plants, orange groves, banana farm, up hill again through pine forest, through a vacant field, up again by stairs, and way down along a muddy path. There were lots of nice trails, that we could run down, but were very slippery. Toward the finish of the run, we found chalk, marking the short run to the right, the long run straight up the road for the second time!. Having done the long run so far, I opted the long run, found a dozen hashers ahead of me and followed them, even though I was shouting to those behind me that there are no marks. Apparently Chicken shit?had played a trick on us, as he was the one who marked the end of the trail according to hare Dump and Run? He is really mischievous! It didn't matter, as it took us only ten minutes extra to run through a vegetable farm to get to the finish. It was a excellent run, the best run of the year, the panorama was very enjoyable and satisfying, in spite of the fact that the run was long..

The down downs were attended by fewer numbers than usual. Even the few who dared to overrule their T ai T ais?protests and ran away from home to join the hash run, had to rush home to assist the family in the preparations to welcome the New Year and the ensuing feasts.

Still, G.M. and his assistants did a good job of getting almost everyone present to chug-a-lug, at least a small paper cup of beer. Apart from the hare, only Slobbo and Guru were the only foreigners that joined the run. Even the hare was under strict orders and could not attend the bash!

Only about 30 hashers attended the bash. Your scribe, who very seldom participate in any bash, had the misfortune to join and taste the lousy meal. As soon as he got home, through the courtesy of Mosquito? he had his usual, hot and spicy Indian meal!

May you all enjoy happy hashing with our great Taipei Hash during all the years to come.

After all, we run off, run for fun and run out!!

The more, the merrier.

Once again, Happy New Year to one and all.

On!On!!
